PAYMENT POLICY and PROCEDURES

Registration Fee of \$50.00 per new student, \$25 returning student (\$75.00 if registering more than one child).

Basic Training/New Students: Weekly rates \$90.00

Four days a week Monday through Thursday for up to 15 minutes. Approximately 6 weeks or until completed.

Stroke Lessons: Small group lessons 30 minute sessions for \$35.00; private lessons at then current rate.

Please refrain from feeding your child one to one and a half hours prior to lessons if possible. If they must eat, please keep it light and avoid milk products and acidic foods.

A non-refundable deposit: Registration fee and two weeks of lessons (payment will be applied to the first week of lessons and the last week of lessons) is required in advance to reserve a time slot and schedule lessons. Subsequent weekly payments are due each Monday. Invoices will be sent via email typically on Thursdays or Fridays for the next week of lessons and can be paid via cash, check or charge. Any invoices that are not paid prior to Mondays lessons are subject to a \$25.00 late fee. Any invoices not paid for by Tuesday may cause lessons to be suspended.

Once Basic training is complete, it is recommended, but not required, that the student continue with Maintenance Lessons.

Maintenance Lessons: 1, 2 or 3 times a week as agreed upon at daily rate -**\$20.00 PER LESSON. MAINTENANCE LESSONS WILL BE INVOICED ON A MONTHLY BASIS. THERE ARE NO REFUNDS UNLESS INSTRUCTOR CANCELS FOR PERSONAL REASONS.**

Call Out/Sick Policy: If your child cannot attend their lesson for any reason, **unfortunately there are no make-up times. No refunds and/or credits are given as you pay for your time slot, not attendance (similar to a daycare).** For the safety of our students and instructors, your children must be fever/symptom free (without medication) for at least 24hrs before returning to lessons. It is at the discretion of our instructors to request a doctor note to return to lessons.

Missed Lessons: If you do not call and do not show for your lesson, the lesson is considered a **no-show**. After two no-shows lessons will be cancelled and the time slot may be given to another student. No refunds will be given.

Holidays: If Aqua Buddies is closed for a holiday during your weekly lessons, it is considered a part of your weekly rates and you will be charged the same rate consistent with the policy of paying for your time slot, not attendance.

Initial

Instructor Cancellation: If the instructor cancels for personal reasons you will be given a daily credit (applied to the next week bill if already pre-paid).

Inclement weather: In the event lessons are cancelled due to any inclement weather related conditions, we will try to inform you as soon as possible. Unfortunately, this is not always feasible as the weather here in Florida can change very quickly. Our indoor facility allows for us to work in the rain and is fully grounded, however if lessons are cancelled once during a week due to inclement weather, it will just be a missed lesson. If lessons are cancelled more than once in the same week due to inclement weather, we will implement a 50% daily credit on the next weeks invoice to any client who has already prepaid for lessons.

Swim Diapers:

All children who are not potty trained or have not been potty trained for longer than 6 months must wear **both disposable and reusable swim diapers at every lesson**. Aqua Buddies keeps a supply of reusable swim diapers on hand for purchase at \$13.00 each (please ask before assuming we have one so we can ensure size is available). **When purchasing a swim diaper, please obtain a snug fitting elastic waist and leg (we highly recommend Finis or iplay brands). Swim diapers with button legs only are not permitted as they do not hold waste properly.** Disposable swim diapers are available for \$1.00 each.

If a child has an accident in the pool, Aqua Buddies is required by law to shut down the pool for the remainder of the day and follow proper Department of Health Guidelines accordingly to ensure #1) the water is treated correctly and #2) the water is safely tested for return the next day. Please keep in mind we deal with small children and this can be any one of our children at any time. If lessons are cancelled we ask that you be sensitive to this situation- **THERE ARE NO REFUNDS AND NO MAKEUP LESSONS.**

PLEASE KEEP IN MIND LESSONS ARE SCHEDULED EVERY 15 MINUTES AND THEREFORE YOU MUST BE ON TIME.

THANK YOU FOR CHOOSING AQUA BUDDIES SWIM SCHOOL AND WE LOOK FORWARD TO WORKING WITH ALL OF YOU!

PARKING

Please keep in mind that Aqua Buddies location is in a strip mall with parking spaces shared by all unit owners. In order to ensure everyone has a spot to park, we ask that you please try not to arrive more than five minutes before your scheduled time. There are extra spaces to park at the end of the building if the spots in front of our units are not open. After your lesson, please try your best to dry off and change within 10 minutes so that you can depart and allow the next person to have a space to park. We appreciate your help in ensuring all can park safely and ask that you adhere to a safe driving speed while in the parking lot.
